

Concept:

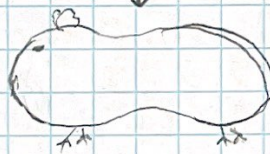

- Guinea pig
- Text: "Oh, poop" "welp" → something related to guinea pigs
- "poop" written out in guinea poop
- or other objects around pig,

Poop not in straight line - curly

left facing "standing" up

Focus is on body length

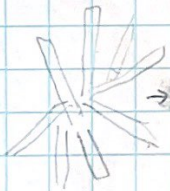

left facing, on the ground

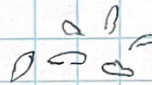

Focus is on face

Just face view

→ want something near pig  
→ Hay

→ Guinea pig poop

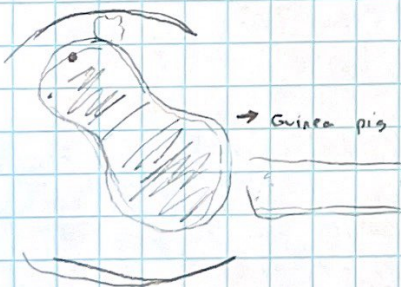

→ Strawberry

Incorporate words into objects

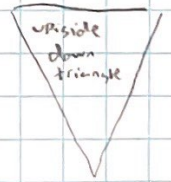

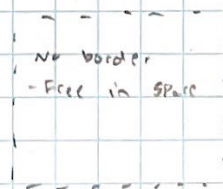

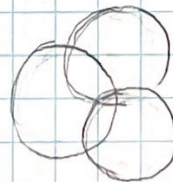

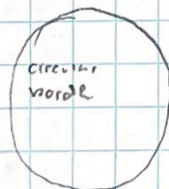

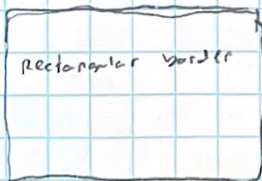

is for pigs

Room for text or other objects below, above, or to the left side

Logo concept: Guinea pig w/ text & additional object

I like the side view its fun and different

I wish there was more detail to the guinea pig

I wonder if you can add an element to the guinea pig so it isn't only one colour

↳ holding something?
